

Anchorage Ronly Grand Prix

11 - 12 February 1984

Don't blink.

Or you'll miss an eyeful. The new Honda Civic CRX 1.5.

Innovative aerodynamics catch the eye, not the wind. An efficient 1.5 liter 12-valve engine delivers the power you've envisioned. While torsion bar front suspension makes all your curves look good.

This two-seater features a 5-speed manual transmission, or an

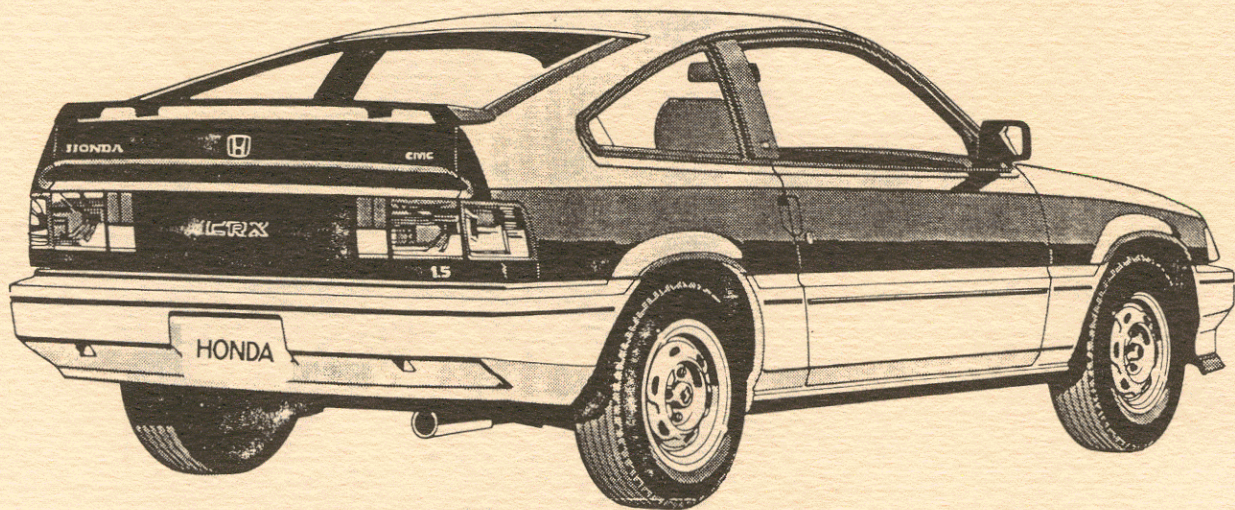

available automatic transmission with torque converter lock-up.

There's also Michelin steel-belted radials, sport bucket seats, a tachometer and dual mirrors.

The 1984 Honda Civic CRX 1.5. Come behold it with your own eyes.

ABOUT THE COVER:

THE CARS THAT HELD OVER-ALL PLACES IN THE 1983 RONDY GRAND PRIX. BARBARA BOWDEN'S FORD FIESTA #124 IN THE CLASS I, II AND III COMPETITION. WHITEY DAVIS' SUPER BEETLE #1 IN THE CLASS IV AND V COMPETITION.

EDITOR'S NOTE:

The program for the Fur Rendezvous Grand Prix is designed and prepared for printing by member's of the Alaska Sports Car Club and their friends. I would like to thank those people for remaining friends after the debates and late hours of work. The pictures featured in this year's program are courtesy of Patti Williams, Vicki Gross and Carrol Palmer. This year one of the members sent several letters to businesses in the areas of Anchorage and The Mat-Su Valley requesting that they give financial support to The Alaska Sports Car Club for the race. I would like to give special thanks to ITT CONTINENTAL BAKING COMPANY, INC. and AERO SERVICES CO. for their most generous and appreciated sponsorships.

Sincerely,
Carrol Palmer

WHAT IS HUSTLE

Hustle is doing something that everyone is certain can't be done.

Hustle is shoe leather, elbow grease, sweat, and missing lunches.

Hustle is doing something more for the customer than the other guy is doing.

Hustle is believing in yourself and the business you're in.

Hustle is the sheer joy of winning.

Hustle is being the sorest loser in town.

Hustle is hating to take a vacation because you might miss a piece of the action.

Hustle is working smarter, not harder.

Hustle is heaven if you're a hustler.

Hustle is hell if you're not.

1984	_____	_____	_____
------	-------	-------	-------

The Alaska Sports Car Club (ASCC) was first incorporated as a non-profit organization in 1958. The club's primary interest was ice racing, which was held on Sand Lake and Big Lake from 1958 through 1977.

In addition to the club's activities on Sand Lake and Big Lake, in the early 1960's, ASCC held races in downtown Anchorage during Fur Rendezvous. Almost the same location is currently being used for the RONDY GRAND PRIX.

In 1977 ASCC, in conjunction with Fur Rendezvous, began the current series of the RONDY GRAND PRIX in Anchorage. This Rendezvous event has drawn over 30,000 spectators for the weekend.

The club also holds two annual events at Tanacross near Tok, Alaska, on the old World War II airstrip during Memorial Day and Labor Day weekends. These two races draw spectators from Fairbanks, Anchorage, and the Railbelt areas.

ASCC has had an annual endurance race, for the last three years on Wasilla Lake during the Iditarod re-start weekend events. There are currently several ice racing events at Finger Lake on Sundays per scheduling.

The ASCC summer activities are autocrosses being held frequently at High School parking lots in Anchorage.

Aside from the above regular schedule, there are a variety of events scheduled, periodically, which include rallies, hill climbs, Willow Winter Carnival, and working Muscular Dystrophy on the July 4th bed race.

WARNING

SPECTATORS, PATRONS & CONTESTANTS

All types of racing - modified, late model, sports cars or motorcycles - are thrilling and spectacular - and can be dangerous.

We have taken every possible precaution for your safety, and enjoyment of these races. Aside from the main race officials that are located in the "pit area" and the Anchorage Westward Hilton, there are workers at each corner and spaced along the track. These people have been instructed to keep you away from hazardous areas. Please abide by all rules for the safety of yourself and others. Thank you for your cooperation.
